Dear Lt. Nopper,

Enclosed is a copy of the story on Carlson's Raiders on which you have so kindly helped me. Also enclosed is a carbon of some suggestions I have made on captions, etc.

I am sending them to you for approval. I trust there is nothing revealing any military or security information.

When this has been approved, please send it to me or to Mr. Al Whynman, Editor, Picture Scoop, Suite 903, 114 E. 32nd. St., New York, N.Y.

I want to take this opportunity to thank you and the Marines for their cooperation.

The magazine will return unused pictures.

Yours truly,

Harold Weisberg
